

## IMMEDIATE RELEASE

### CDAO and DIU Codify Collaboration

By: Chief Digital and AI Office - Public Affairs | July 9, 2024

*Partnership further accelerates the adoption of data, analytics, and artificial intelligence*

"The close partnership with DIU will enable us to bring the best of industry into our enterprise infrastructure to provide crucial digital and AI capabilities" said Dr. Radha Plumb, the CDAO. "DIU's mission and proven track record in identifying and adopting commercial technologies will allow CDAO to further accelerate the adoption of data, analytics, and artificial intelligence getting the best tech capabilities into the hands of our warfighters."
