

# Create AI

## Archetype training to support the DoD Workforce

*Join the Create AI Cohort to broaden your skill sets and become part of the DoD AI-ready workforce*

The Joint Artificial Intelligence Center (JAIC) Human Capital Transformation (HCT) Team develops, directs and coordinates AI training opportunities across DoD components and is pleased to offer this Create AI course pilot to DoD military and civilian personnel.

In addition to Create AI, the JAIC provides training for all six archetypes identified in the DoD AI Education Strategy.

### Why Take Create AI

The Create AI Archetype pilot was designed for technical experts who will develop and deliver AI-enabled tools within the DoD. You will develop technical skills to build AI tools using programs like Python, Spark, and AWS as you develop advanced understanding of state-of-the-art AI methods and frameworks.

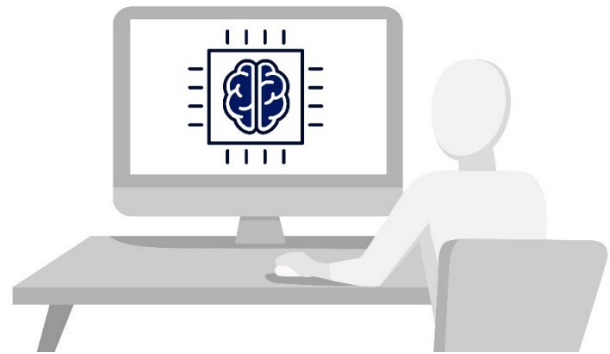

### Create AI Outcomes

The JAIC's Create AI will provide you with the key knowledge and skills to:

- Develop and produce a wide-array of ethical AI applications
- Determine which AI capability is most applicable to a given use case
- Produce solutions to support small and enterprise-scale application

### Details and How To Sign Up

The estimated launch of the next Create AI cohort is in August 2022. If you have any questions, please reach out to HCT at [osc.ncr.dod-cio.mbx.jaic-hct@mail.mil](mailto:osc.ncr.dod-cio.mbx.jaic-hct@mail.mil). Please include Create AI in the subject line.

The JAIC's HCT team prepares the DoD workforce for wide scale adoption of Artificial Intelligence (AI). Bringing together DoD stakeholders to synchronize efforts, the HCT team oversees implementation of the DoD AI Education Strategy and leads workforce development for an AI functional community.
