

# Employ AI 101

## Archetype training to support the DoD Workforce

*Join the Employ AI Cohort to broaden your skill sets and to become part of the DoD AI-ready workforce*

The Joint Artificial Intelligence Center (JAIC) Human Capital Transformation (HCT) Team develops, directs and coordinates AI training opportunities across the DoD and is pleased to offer this Employ AI course pilot to DoD military and civilian personnel.

In addition to Employ AI, the JAIC provides training for all six archetypes identified in the DoD AI Education Strategy.

### Why Take Employ AI

In Employ AI you will learn foundational concepts of AI and how it can be leveraged within the DoD.

If you aren't a technical expert, but you appreciate the enormous value that AI-enabled solutions can bring to the DoD and you want to learn how AI can support your mission then this course is a great opportunity for you.

### Employ AI Outcomes

The JAIC's Employ AI program equips you with key knowledge and skills to:

- Describe the different types of AI
- Explain the capabilities of AI
- Discuss the importance of AI
- Identify the role AI plays in daily activities

### Details and How To Sign Up

If you are interested or have any questions, please reach out to HCT at [osd.ncr.dod-cio.mbx.jaic-hct@mail.mil](mailto:osd.ncr.dod-cio.mbx.jaic-hct@mail.mil). Please include Employ AI 101 in the subject line.

The JAIC's HCT team prepares the DoD workforce for wide scale adoption of Artificial Intelligence (AI). Bringing together DoD stakeholders to synchronize efforts, the HCT team oversees implementation of the DoD AI Education Strategy and leads workforce development for an AI functional community.
